A GREAT TEACHER CAN CHANGE THE WORLD

Seymour COMMUNITY SCHOOLS

IN 3507000

Laura Handloser - Seymour High School

Laura Handloser is a native of Seymour Indiana. Before she graduated from SHS in 1988, Laura was a member of the 1987 Lady Owl Basketball final four team. Laura was also a member of the 1988 Lady Owl Volleyball final four team. (Her perm mullet can be seen in two photos displayed in the Lloyd E. Scott Gymnasium.) After graduating in Secondary Math Education from Indiana University in 1992, Laura taught at Southeast Hanover HS, Columbus East HS, Brownstown Middle School and is currently a proud teacher at Seymour High School (Go Owls!). In 1997 Laura married her husband Mark, and has 4 boys: Grant (22), Braden (20), JC (18) and Drew (16). Besides working full time at SHS, Laura is a Driving Instructor for All-Pro Driving School.

Ryan Culbreth - Seymour Middle School

My name is Ryan Culbreth. I have two beautiful daughters, Collier and Carter, and one handsome son named Connor.

I earned my BA degree in education from Ball State University, and I earned my MA in education, with a specialization in literacy, from Michigan State University.

This is my 18th year teaching in Seymour Community Schools. I have taught 7th and 8th grade. I currently teach 8th grade at Seymour Middle School. Teaching young people is a joy for me. I love teaching! I am very fortunate to be able to live and work in the community in which I was raised. I am honored to be selected for this award. I am grateful for everyone who thought I was worthy of a vote. It means a lot to me. Thank you!

Tim Perry - Seymour High School

I'm proud to state that I'm in my thirty-second year of teaching. This is my ninth year teaching at Seymour High School. Prior to S.H.S., I taught at Blue River Valley Jr./Sr. High School, Centerville Jr. High School, and Brownstown Central High School. I currently teach Film Literature, English 10, and dual credit Advanced Speech and Communication. In addition to those teaching responsibilities at S.H.S., I also am an assistant baseball coach for the Owls, senior class sponsor, and the Pep Club advisor. My wife, Aimee, and I are the proud parents of Alan, 22, Alyssa, 19, and Bret, 16. I try my best each day as an educator to live up to what a former principal of mine states in an evaluation of me back in 1993, "...Mr. Perry appears to have an apparently inexhaustible supply of energy."

Robin Ramp - Seymour Middle School/
6th Grade Center

I'm 26 years into the best job in the world! I currently teach sixth grade, but I have been lucky enough over the years to teach both the middle and high school levels. My content area is language arts, but my passion is using ELA skills to train students to use their thinking voice.

I live in Seymour with my husband, Derek and our daughters Emma - a sophomore at Indiana University, and Maddy - a sophomore at SHS. I like to read, hike, and watch TikTok videos - the old people ones about cooking and DIY.

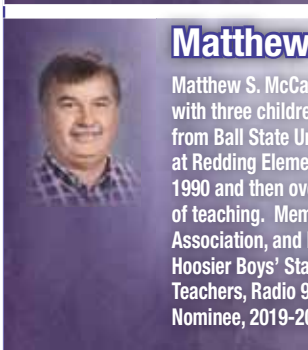

Jami Kiel - Emerson Elementary

I am a proud Emerson Indian. This is my 13th year teaching 2nd grade. I am married to Jamie and we have two daughters, Charlee and Rowan. I graduated from Ball State University with a dual major in Elementary Education and Special Education Mild Interventions. I also earned a masters degree in Elementary Education. I love teaching and feel so blessed that I get to go to school each day and educate our future.

Kevin Cottrill - Seymour High School

My name is Kevin Cottrill and I've been a teacher for 29 years. Since 1993, I have taught band/music classes in Rushville, Indiana; Columbus, Indiana, and I am currently in my 21st year as Director of Bands for Seymour Community Schools. I am a proud 1993 graduate of The Indiana University Jacobs School of Music and actively participate in their alumni band activities for football/basketball each year. At Seymour High School, I have helped band enrollment grow to 250 students where we offer three concert bands, a jazz ensemble, a music theory and music appreciation classes. Under my leadership, the Seymour Marching Owls & Guard (SMOG) and the Seymour Pep Band have gained enthusiastic community support, and these talented groups perform for thousands of fans at home football and basketball games/community events. Together with my assistant directors/instructors, Kyle Lutes, Debbie Carroll, Luke Horton, Steve Nauman and Lacey Money, we have created a band family in Seymour where every student is important to our continued success. One of my favorite quotes about education is "Teaching is the profession on which all other professions depend." I would encourage young people to consider teaching because it has been a very rewarding career for me. SHS has been a great fit and Seymour is a family community that supports the arts.

Matthew McCarthy - Seymour Middle School

Matthew S. McCarthy, social studies teacher at the 6th Grade Center. Married (Penny) with three children (Meghan, Logan, Morgan). Graduate of Yorktown High School, B.S. from Ball State University, M.S. from Indiana University. Began teaching in Seymour at Redding Elementary in 1984. Moved to the Middle School with the 6th grade in 1990 and then over to the 6th Grade Center where I am currently in my 38th year of teaching. Member of Seymour Education Association, Indiana State Teachers Association, and National Education Association. Honors: National Honor Society, Hoosier Boys' State Delegate, twice recognized in Who's Who Among America's Teachers, Radio 96.3 Teacher of the Week, 2012 Distinguished Teacher of the Year Nominee, 2019-20 Seymour Chamber of Commerce Middle School Teacher of the Year.

WHAT IS SOMETHING THAT SETS YOU APART FROM OTHERS: Seymour Community Schools, in partnership with our community, improves lives by providing an exceptional educational foundation that inspires a passion for learning and equips all to be productive, meaningful contributors of a global society. At Seymour Community Schools, we believe.

Learning is a life-long endeavor. All deserve equal opportunity to learn.

Students learn in different ways and different places.

Esteem, discipline and achievement are related.

Curriculum, technology and instruction will be relevant to students achieving a quality life.

A safe, nurturing and positive environment is necessary for learning.

Communication among all will be open, interactive and consistent.

Schneck Orthopedics & Sports Medicine Proudly Introduces Mako

*Robotic-Arm Assisted
Joint Replacement*

The Mako SmartRobotics System transforms the way joint replacement surgeries are performed. This advanced technology offers more precision, less soft tissue damage and greater bone preservation than manual techniques.

The benefits of a Mako joint replacement surgery include:

- Personalized surgical plan
- Better implant alignment
- Fewer days in the hospital
- Less pain
- Faster recovery

“With the addition of the Mako, patients have a quicker recovery, less post-operative pain and a quicker return to their active lifestyle, than a traditional joint replacement surgery.”

~Dr. Kristopher Williams,
Schneck Orthopedic Surgeon

Contact Schneck Orthopedics & Sports Medicine to schedule a consultation to see if joint replacement surgery is right for you.
